

# **Systemic Family Constellation Workshop**

**Facilitated by: Dr. Shannon Zaychuk**

**June 14<sup>th</sup> and 15<sup>th</sup>, 2019 Providence Center Edmonton, Ab.**

## **“The Father is always Present in the Child.”**

**Bert Hellinger – No Waves Without the Ocean.**

A Family Constellation can uncover hidden dynamics and unconscious family loyalties that contribute to difficult and persistent struggles in relationship, health, finances and well-being. In a safe and contained group setting long standing family patterns, many originating from past trauma — provide a broader context for understanding and beginning to heal physical, emotional and relational issues.

**This is an open workshop offering Family Constellations.**

**In honor of Father’s Day**, we will also explore some of the “gems” from Bert Hellinger’s insightful teachings and phenomenological observations regarding the nature and role of men and fathers in partnership and family life.
