

Systemic Family Constellation Workshop

Facilitated by: Dr. Shannon Zaychuk

October 20th & 21st 2018

Relationship is the vehicle that brings us into Life, shapes our sense of Self and supports our development into authenticity and creativity. When our relationship pathways are blocked, strained or interrupted - so are we.....

In this workshop the time-honored wisdoms of Bert Hellinger's teachings on the "**Orders of Love**" and **Relationships** will be explored through exercises, constellation work and mini lectures.

Insights from the field of **Birth psychology** will be included to illustrate key principles operating in the **relational "field"** between us and others.

The focus of this weekend is to promote greater harmony, healing and love in our roles as intimate partners, former partners, grandparents, parents, children, step parents, mothers and fathers in law and friends.
